**Bid Award to Arazoza Brothers
Corporation**

Analysis:

The City Architect, Keith and Schnars prepared specifications for the phase II Golden Glades Beautification project and advertised on January 03, 2008. A broadcast notice was issued to 1416 suppliers. Forty-two vendors requested bid packages. Four bids were received and publicly read on February 7, 2008. A copy of the bid document and submittals are available at the assistant to the mayor and council's office for review.

The bids were evaluated for compliance with the specifications and the company's ability to perform and complete the construction within the time frame. Based on the evaluation, the apparent low and responsive bidder is Arazoza Brothers Corporation, located in Homestead, Florida. The references provided by the bidder for similar projects completed by the personnel assigned to the City's project were all found favorable. Copy of the tabulation is attached as Exhibit "A".

Recommendation:

We recommend that the City Council approve the attached resolution authorizing the City Manager to execute a contract with Arazoza Brothers Corporation, located in Homestead, Florida, in the amount of \$576,000.00 which includes a contingency for the construction of the Golden Glades Beautification Project phase II.
